

# Strategy for Non-Slot Games

Blackjack: Have at least 5 of your original starting bet left behind (if you bet \$5 in a hand make sure to have \$25 unredeemed left behind) and follow [this chart](#). Never place side bets on blackjack, only bet the main bet

Texas Holdem Poker: Have at least 4 of your original starting ante left behind (if you bet \$5 in a hand make sure to have \$20 unredeemed left behind) and use [this calculator](#) to determine your play

Oasis Poker: Have at least 2 of your original starting ante left behind (If you bet \$5 in a hand make sure to have \$10 unredeemed left behind) and use [this calculator](#) to determine your play

Jacks or Better: Use [this calculator](#) (you can adjust the payouts depending on what the site lists)
